POSTER PRESENTATIONS

Submission Abstract (400 words)

Abstract should contain the following headings.

1. **Purpose:** Describe the problem being addressed, state the objective of the study or project, and any relevant background.
2. **Methods:** Describe the study design or project, setting, participants, interventions, measures, main outcomes, and analyses.
3. **Results:** State the main findings of the study or evaluation.
4. **Conclusions:** Summarize the main findings/interpretation of the study or project, and provide context by stating main implications of the findings for practice, policy, or research, and next steps.

Poster presentations should summarize research results using visuals such as tables, graphs, and pictures. Presentations will be displayed on a 4x8 foot wide poster board. The purpose of this presentation format is to facilitate one-on-one and small group discussions with colleagues. Presenters are required to be at their poster boards during the xxx. All poster presenters are responsible for the removal of their materials from boards by the end of their presentation time. Any posters remaining will be discarded.

Poster Presenters must be available to set-up, present, and tear down their posters during the evening of Saturday, March 15.
